

Alaska Power Association – IBEW Local 1547 Scholarship

Alaska Power Association (APA) and IBEW Local 1547 are offering up to \$4,000 in scholarships for Alaska residents who intend to work in the electric industry and who are enrolled in an accredited Alaska vocational school such as the Alaska Joint Electrical Apprenticeship and Training Trust, the Alaska Institute of Technology, the University of Alaska Fairbanks Community & Technical College, and the University of Alaska Anchorage Technical Vocational Educational Program.

APA is the statewide trade association for the electric utilities that supply power to more than a half-million Alaskans in communities from Utqiagvik to Unalaska, through the Interior and Southcentral, and down the Inside Passage.

The International Brotherhood of Electrical Workers Local 1547 was chartered in Alaska on October 1, 1946. Local 1547 represents a diverse range of construction classifications, including power linemen, inside wiremen, power plant workers and technicians, mechanics, warehouse workers, line clearance tree trimmers and heavy equipment operators throughout the entire state of Alaska.

Rules of eligibility

- The scholarship is for Alaska residents attending an accredited vocational school in Alaska and who intend to work in the electric industry in Alaska upon completion of their programs.
