

ALASKA ENERGY AUTHORITY

SENIOR ACCOUNTANT

Want to make a difference? Interested in joining a team of professionals responsible for providing energy solutions to meet the unique needs and opportunities of Alaska's communities? Then check out our **Senior Accountant** position with Alaska Energy Authority (AEA).

The Senior Accountant is responsible for various accounting functions related to AEA projects and owned assets. This position creates financial reports and reviews financial activity of various capital assets and capital projects in progress as directed by the Project Controller. This position assists the Project Controller with monthly and year-end billings to various Utilities as part of owned asset operating agreements. The Senior Accountant processes funding requests to be submitted to the trustee for debt payments and completed project work; and other routine accounting functions for support of the Project Controller.

We're looking for someone who has a Bachelor's Degree in accounting or related field and four years of experience in related accounting roles is preferred. Consideration will be given to a combination of coursework in Accounting or Finance and equivalent work experience.

Pay Range: \$70,590-\$98,475/year

For more information, or to apply online directly with AEA, visit www.akenergyauthority.org. Send application and/or resume to hr@akenergyauthority.org, Human Resources, AEA, 813 W. Northern Lights Blvd., Anchorage, AK 99503, by fax to (907) 771-3946.

AEA is an EEO/ADA employer. Individuals requiring accommodations should call 1-800-587-0430 or (907) 465-3412 (TTY).
