

Position At A Glance

Copper Valley Electric Association is accepting applications for the position of Journeyman Lineman in the Valdez and Copper Basin districts. There is one position in each location.

Essential Responsibilities

- Provide prompt, efficient, reliable, and courteous service in the construction and maintenance of rural electric distribution and transmission lines
- Perform maintenance to substation facilities as required
- Perform work on energized lines as necessary within normal safety guidelines
- Install and move, or remove transformers, secondaries, service drops, oil circuit breakers, poles, conductors, or any other line equipment assigned

Requirements

- Upon hire, reside in the district in which they are normally assigned to work, and must fulfill residence requirements as defined in Sec.8.1(1) of the current working agreement between CVEA and the IBEW
- A valid, or the ability to obtain, an Alaska Driver's license
- Graduation from high school or GED equivalent
- Must possess an Alaska Certificate of Fitness for power lineman, or obtain within 90 days of reporting for duty
- Must possess or obtain a Class A CDL and a safe driving record
- Must be able to perform First Aid/CPR & pole top rescue
- Physical examination, including required drug and alcohol screening, which releases the successful applicant to perform the essential functions of the Journeyman Lineman

The Journeyman Lineman reports to the Operations Manager. This position is compensated at \$60.70 per hour in accordance with the IBEW Local 1547 contract and offers an excellent comprehensive benefits program. There is a 1,040-hour probationary period for the successful applicant.

These positions are open until filled.
